Dear Tribal Chair and Health Director:

**RE:** Behavioral Health Home Expansion and Authorization of Additional Staff

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment (SPA) request to the Centers for Medicare & Medicaid Services (CMS).

The BHH currently provides comprehensive care management and coordination services to Medicaid beneficiaries with select Serious Mental Illness/Serious Emotional Disturbance (SMI/SED) diagnoses in Michigan's Prepaid Inpatient Health Plan (PIHP) Regions 1, 2, 3, 4, 5, 6, 7, 8, and 9.

This SPA will expand access to Behavioral Health Home services in Genesee, Sanilac, and St. Clair Counties within PIHP Region 10 and add the following staff to the health home staffing structure: SOAR Navigator, Housing Specialist, and Parent Support Partner.

The incorporation of a SOAR Navigator and Housing Specialist into the health home staffing structure will significantly enhance support for Native American beneficiaries facing Health Related Social Needs (HRSN) such as lack of housing or income. The addition of Parent Support Partners aims to provide families with essential peer support and guidance, ultimately improving engagement and fostering better outcomes for Native American children and youth.

The anticipated effective date of the SPA is October 1, 2025.

There is no public hearing scheduled for this SPA. Input regarding this SPA is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at [Elliott-EganL@michigan.gov](mailto:Elliott-EganL@michigan.gov). **Please provide all input by August 11, 2025.**

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the SPA, according to the tribes' preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.
