Dear Tribal Chair and Health Director:

**RE: Expanded Coverage of Maternal Depression and/or Mental Health Screenings**

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment (SPA) request to the Centers for Medicare & Medicaid Services (CMS).

The purpose of the SPA is to update and expand coverage of maternal depression and/or mental health screenings for individuals through 12 months postpartum. Michigan Medicaid currently covers maternal depression screens up to 6 months of age of the child in accordance with early and periodic screening, diagnosis and treatment (EPSDT) requirements. Pursuant to Public Act 246 of 2024 Michigan Medicaid is updating and expanding coverage to include maternal depression and/or mental health screenings for individuals who have given birth at follow-up appointments or well child visits during the 12-month postpartum period. Eligible Native American mothers will have improved access to these postpartum services as a result of this expansion of coverage. The anticipated effective date of this SPA is October 1, 2025, contingent upon approval by CMS and state budget appropriation.

There is no public hearing scheduled for this SPA. Input regarding this SPA is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at [Elliott-EganL@michigan.gov](mailto:Elliott-EganL@michigan.gov). **Please provide all input by August 18, 2025.**

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the SPA, according to the tribe's preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional

information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.
