Dear Tribal Chair and Health Director:

RE: Intensive Crisis Stabilization Services (ICSS) State Plan Amendment (SPA)

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a SPA request to the Centers for Medicare & Medicaid Services (CMS).

This SPA will:

1) On or after April 1, 2026:

- Clarify ICSS as a continuum of crisis services and includes Mobile Crisis Services and Crisis Stabilization Units (CSU) as part of this service array.
- Clarify the target populations for services to include substance use disorder (SUD), serious mental illness (SMI), serious emotional disturbance (SED), intellectual and developmental disabilities (IDD), and mild-to-moderate populations.
- Establish the staffing structure and provider qualifications for the ICSS Services team.
- Establish the use of the Crisis Professional as a provider qualification.
- Update the payment methodology for CRS.
- Update the payment methodology for ICSS to account for the different types of services in the continuum, including for CSUs.

2) On or after October 1, 2026:

- Update the payment methodology for any additional ICSS services to account for the different types of services in the continuum.

It is expected these changes will increase standardization and accessibility of crisis services for both children and adults, including Tribal citizens who are covered by Medicaid, once effective.

There is no public hearing scheduled for this SPA. Input regarding this SPA is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at Elliott-EganL@michigan.gov. **Please provide all input by December 15, 2025.**

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the Amendment, according to the tribe's preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.
