Dear Tribal Chair and Health Director:

**RE:** State Plan Amendment (SPA) to Increase Incontinence Volume Purchase Contract Rates

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a SPA request to the Centers for Medicare & Medicaid Services (CMS).

The purpose of the SPA is to increase contractual reimbursement rates related to incontinence products covered under the Medicaid incontinence volume purchase contract. Increased costs related to raw material procurement and shipping charges have impacted the ability of the contractor to secure these items at the current Medicaid reimbursement rate. The rate changes will avoid potential access issues to incontinence products.

The effective date of this SPA is on or after October 1, 2025. MDHHS expects this change to have to have a positive impact on Native American beneficiaries by increasing access to incontinence products.

There is no public hearing scheduled for this SPA. Input regarding this SPA is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at [Elliott-EganL@michigan.gov](mailto:Elliott-EganL@michigan.gov). **Please provide all input by November 14, 2025.**

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the SPA, according to the tribes' preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.
