Dear Tribal Chair and Health Director:

RE: Ground Emergency Medical Transport (GEMT) Reimbursement Methodology for Supplemental Payment

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment (SPA) request to the Centers for Medicare & Medicaid Services (CMS).

The purpose of the SPA is to develop a reimbursement methodology for supplemental payment for GEMT services, pursuant to Public Act 275 of 2024. GEMT providers owned or operated by the state, federally recognized Indian tribes or a political subdivision of the state are eligible to participate in the program. The effective date of the SPA is on or after October 1, 2025.

MDHHS expects the SPA to have minimal impact on Native Americans or Tribal Health Centers. Tribes operating Emergency Medical Systems (EMS) departments that bill Medicaid for emergency ambulance transports provided to Medicaid beneficiaries are eligible to participate in the GEMT program, which may have a positive impact on their funding.

There is no public hearing scheduled for this SPA. Input regarding this SPA is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at Elliott-EganL@michigan.gov. **Please provide all input by November 14, 2025.**

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the SPA, according to the tribe's preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.
