**Description:** S. Bobby Mukkamala, MD provides an overview of the Healthy Michigan Plan (HMP) Health Risk Assessment (HRA). The webinar describes how the HMP HRA has helped improve health outcomes for Michiganders. It focuses on the HMP HRA as a tool to assist in identifying patient risk factors and help address social determinants of health. Physicians play an important role in the HMP HRA process and this webinar describes best practices for efficiently incorporating the HMP HRA into clinic workflow.
