

Providers Able to Serve CSHCS Clients Without Direct CSHCS Authorization

Certain providers can be reimbursed for CSHCS clients without being directly CSHCS authorized. The prescribing, ordering or supervising physician must be directly CSHCS authorized for the specific CSHCS client. The services must be related to the CSHCS qualifying condition.

The providers allowed to request reimbursement for services rendered according to the rules above are as follows:

- Anesthesiologist
- Hearing Aid Dealers
- Home Health Agencies
- Independent Clinical Laboratories
- Medical Suppliers/Durable Medical Equipment
- Nurse Practitioners
- Orthotists
- Pathologists
- Pharmacies
- Physical/Occupational/Speech Language Therapists
- Physician Assistants
- Prosthetists
- Radiologists
