Rural Health Transformation Program Update

We are pleased to share that moving forward, this listserv will be used to provide monthly updates on the Rural Health Transformation (RHT) program. We encourage you to remain subscribed, as this will be our primary channel for program updates, key milestones, and the release of any future funding opportunities.

Michigan's RHT Program status update:
We are currently working with CMS to respond to outstanding questions and are awaiting CMS approval of our revised budget narrative. We will share additional details once approvals are finalized.

RHT Advisory Council:
We would like to thank all applicants who expressed interest in serving on the RHT Advisory Council. We anticipate finalizing Advisory Council seats by the end of February and expect to host the first Advisory Council meeting in late March to mid-April.

Thank you for your continued interest and engagement in the RHT program. We look forward to keeping you informed through monthly updates as this work progresses.
