Dear Vendor,

We are aware of the pressures that supply chain issues, shortages and inflation have placed on you and consumers. We are also aware of your concerns regarding the WIC product prices. Michigan WIC remains committed to ensuring WIC reimbursements are fair and keep pace with market costs. The Michigan WIC Program is actively reviewing reimbursements for all WIC items to ensure that prices are set up in a way that both contains costs and makes sense for your business.

We appreciate those vendors who have reached out to the Michigan WIC Program and shared their purchase and sales records so that we can better understand the realities in your stores. In response to these reports, the Michigan WIC Program determined that it was appropriate to proactively adjust the vendor reimbursement levels for **eggs and milk**.

If you have any questions regarding these changes, please [email the Vendor Relations Unit](#) or call us at 517-335-8937.
