

MICHIGAN WIC BREASTFEEDING WARMLINE

(833)MIWICBF/(833) 649-4223

Available daily 8 am-8 pm

The breastfeeding warmline is available for all pregnant and breast/chestfeeding families, even if they are not a WIC client. If a WIC Peer Counselor can't be reached, call or text the warmline for help.

Calls and texts are answered by Erica Davis, our Community Breastfeeding Liaison.

Erica has been trained as a lactation counselor and educator (LCE) and certified lactation specialist (CLS). She has worked as both a breastfeeding peer counselor and a certified community health worker.
