WELCOME TO THE MICHIGAN WIC CLIENT RESOURCE LIST

Publications on this list are available from Michigan WIC and/or partner organizations. This list was developed as a tool to help local agency staff identify appropriate nutrition education publications for their clients. This list is not an order form and does not replace the MI-WIC E-Forms module as the source for ordering publications.

Reminders for MI-WIC E-Forms Orders

- Only authorized local agency staff will have access to MI-WIC E-Forms.
- Be sure to print a copy of the current Forms List using the Reports menu to determine the status of each publication.

Status terminology to know:

- **Not Active** = The publication cannot be ordered at this time because:
 1. Current supply is 0, and reprint is in process/pending
OR
 2. Publication is currently not in use, pending replacement, revision, or deletion.
Note: Some supply may show but is not available for order.
- **Deleted** = The publication has been removed from use, will not be reprinted, and cannot be ordered.
Note: Local agencies can continue to use their supply of the publication unless direction to cease use has been issued by the State WIC office.
- Contact Hanna Thelen at 517-335-8631 for further information regarding publication status.
