Dear WIC Vendor,

For your convenience, the following two resources are now available on the Michigan WIC Vendor website at [Michigan.gov/WICVendor](https://Michigan.gov/WICVendor).

1. **Approved Products List (APL)** – We listened to your feedback and published the [APL in Excel format](#) on our website (see attached) to facilitate the identification and purchase of WIC-approved foods. The APL lists all **UPCs** of WIC-approved foods as well as **PLUs** for fresh fruits and vegetables. Please note that currently multiple items do not have detailed product descriptions and substitute formulas are listed with the same description as the formula they are able to replace. The APL is subject to change and will be **updated monthly**.
2. **Updated Michigan WIC Food Guide** – A new version of the [Food Guide](#) became effective June 1, 2022. Highlighted changes include minor adjustments to the **‘allowed’ and ‘not allowed’ criteria** for fruits and vegetables, cereals, infant meats, infant cereals, infant fruits and vegetables and peanut butter. A [complete list of these changes](#) can be found in the attachment to this email and on our website. Please email us at [MDHHS-WICVendor@michigan.gov](mailto:MDHHS-WICVendor@michigan.gov) to request copies of the new Food Guide for your store.

As always, please contact the Vendor Relations Unit with any questions, comments or concerns. Thank you for your continued partnership!
