

## MCSP NEWSBLAST: Web Plus v22

October 7, 2022

This NEWSBLAST applies to reporting entities that upload electronic file submissions to MCSP via the MI Web Plus Application and/or those who use the online abstracting function within Web Plus for cancer case reporting.

---

---

***WebPlus is now upgraded to NAACCR format version 22 (v22). MCSP is now accepting file submissions in v22 format.***

### ***Important Notes!***

- With this upgrade of Web Plus to NAACCR v22 format, please anticipate longer upload times for bundles and exercise patience with the edits process that immediately runs upon a successful upload. Uploads larger than 1,000 cases may experience upload issues, so we recommend splitting any bundle larger than this into multiple uploads, with applicable file extension (i.e., \_File1, File 2). If you require tools to split a bundle into smaller files, the CDC has provided a free tool [here](#) called XML Exchange Plus.
- If you come any issues while uploading a file or abstracting a case, please contact Stacey Coltrain at [coltrains@michigan.gov](mailto:coltrains@michigan.gov)
- If you come across an edit error that cannot be resolved based upon the applicable data item coding instructions, please send a screen shot of the edit error to Georgetta (Jetty) Alverson at [alversong@michigan.gov](mailto:alversong@michigan.gov) and Stacey Coltrain at [coltrains@michigan.gov](mailto:coltrains@michigan.gov). We will review the edit error and provide an applicable response (i.e., metafile issue vs a coding issue).
- If you have questions regarding Michigan cancer reporting requirements, please contact : Georgetta (Jetty) Alverson at [AlversonG@michigan.gov](mailto:AlversonG@michigan.gov) or Stacey Coltrain at [coltrains@michigan.gov](mailto:coltrains@michigan.gov)
- If your registry is in the MDCSS area (Wayne, Oakland, or Macomb County) and you have questions regarding submission of data, please contact your SEER-State Coordinator, Jeanne Whitlock at 313-578-4219 or [whitlock@karmanos.org](mailto:whitlock@karmanos.org)

### ***Submission of Missed Case Reports for Diagnosis Years 2020 and 2021!***

- If your facility submits data electronically to MCSP via the MI Web Plus Application, **all missed case reports for diagnosis years 2020 and 2021 must be submitted to MCSP via Web Plus before close of business day on Monday, October 10, 2022.**
- Note: Submission of missed case reports for diagnosis years 2020 and 2021 can be submitted to MCSP via Web Plus in NAACCR format version 21 (v21) or version 22.
