ELIZABETH HERTEL
DIRECTOR

Michigan Child Lead Exposure Elimination Commission Meeting

Nov. 17, 2025
10:00 AM – 12:00 PM (Virtual)
MINUTES

- I. **Call to Order –**
 - a. Roll Call – Rick Stoner
9 Members present
2 new members (not yet official)
Quorum established with 9 voting members (**see attached attendance sheet**)

- II. **Review and Adopt September 22nd, 2025, Meeting Minutes – Action – All**

Motion: Al Vanderberg - to adopt the September meeting minutes.
Support: Daniel Lince
No abstentions
All members were in favor.
Motion carried.
Minutes will be uploaded to the CLEEC website.
[\(See CLEEC website for previous minutes\)](#)

- III. **Discuss and Finalize 2026 Meeting Schedule with Approval Vote – Action – Rick Stoner – All(This**

Motion: Daniel Lince - to approve the 2026 meeting schedule (with correction of April 9th to corrected date of April 8th)
Support: Dr. Rebecca Meuninck
No abstentions
All members were in favor.
Motion carried.
(See attached 2026 meeting schedule) Meeting invites will be sent out soon.

- IV. **Welcome to New Members – Inform – All**

Dr. Jennifer McDonald (Bio)
Margaret Kabore (Bio)
See attached supporting documentation.

- V. **MDHHS Representative Change – Action – All**

Tina Wahl – As Dr. Bagdasarian previously mentioned, Dr. Sarah Lyon-Callo has been guest facilitator in her absence and is going to help direct the CLEEC moving forward with the help of Korey Groetsch, Carin Speidel and Tina Wahl (all representing MDHHS as non-voting staff). A memo was established to

elevate Dr. Lyon-Callo from guest to a voting CLEEC member, replacing Carin as the MDHHS representative. **(See attached memo/email with the appointment)**. Carin will continue to participate in the CLEEC as one of the MDHHS non-voting participants.

VI. CLEEC Vice Chair Vote – Action – All

Motion: Christine Callahan - to install Dr. Sarah Lyon-Callo as Vice-Chair of CLEEC for a two-year term.

Support: Al Vanderberg

No abstentions

All members were in favor.

Motion carried.

VII. Report on Existence of Bylaws – Inform – Dr. Sarah Lyon-Callo

We could not find any evidence that the CLEEC adopted bylaws. While this meeting is focused on the strategic plan, we would like to pin/table the bylaws topic for the next meeting. **(See attached draft bylaws that were never completed or approved)**.

VIII. Department Updates – Inform - All

MDHHS

- a. MDHHS Lead Ordinance Workgroup Status Update – Tina Wahl & CLEEC Workgroup Members. The Workgroup is being facilitated by Public Sector Consultants, but because of a contract delay they are about a month behind the original schedule. A poll has been launched to determine the final workgroup meeting date in Dec or January. The workgroup and interview process is continuing but the conclusion and final report will be slightly delayed.
- b. Data Update: General Update and Early On Program Follow-up – Dr. Anthony Oliveri
 - Per the request from our the last CLEEC meeting, we looked into whether there are gaps with the overlap of referrals with Early On Services and MDHHS EBLL data. Working on the data linkage with the Early On (MILEAP) team.
- c. Final FY 2025-26 State Budget and Impact on Lead Poisoning Prevention Programming- Carin Speidel
Good news – Federal funding is status quo. No real changes. Bad news – \$3.8 million reduction specific to FY26 general funds. \$900,000 to PFAS GF and \$1.9 million to Healthy Homes GF appropriations. Includes reduction of 19 contractual MPHI staff positions (5-6%: 10 layoffs and 9 vacant positions). Lost one State of Michigan Classified FTE position. Also, some small reductions to external contacts. There were numerous Healthy Homes lead exposure prevention reductions that impact services, so working on a more efficient process to meet our public health obligations.

LARA- Courtney Pendelton Absent N/A

EGLE- Eric Oswald Final FY 2025-26 State Budget and Impact on Lead Poisoning Prevention Programming

Took a little hit with the budget cuts. Drinking Water was fully staffed and no FTE losses but there was a \$1 million GF cut to paths through to local health departments and other budget areas. More of the same for FY27 but with a large(dramatic) drop-off in federal funding of lead service line removal (\$6 million). Working on contingencies towards that. Looking for additional state dollars through a change proposal. EGLE would like to keep the continued effort going with lead service line replacements.

MSHDA- Dan Lince Final FY 2025-26 State Budget and Impact on Lead Poisoning Prevention Programming

MSHDA was unscathed with state budget cuts. No loss of FTE's and since they take no GF, there were no general fund reductions. MSHDA produces its own funds, and they are a very small agency with about 350 staff. More affected by construction cost increases. No federal fund reductions but also no increases. The number of housing projects go down with the higher cost of the projects (money doesn't stretch as far).

Questions/Discussion

Dr. Lyke Thompson: To make a difference with the number of children with EBLL's, we need a better understanding of the number of children we need to be concerned with (the true number). A careful study by MDHHS is needed to know the dynamics numbers for a particular year: A population dynamics study of children with EBLL's, including the number of children that had an EBLL (unresolved); timeframes after the children were diagnosed and how those numbers evolve from the different services provided.

Dan Lince: To better target the response, detailed specifics are needed (e.g., single family vs. multi-family, zip code, size of the family, etc.).

Motion: Lyke Thompson - for MDHHS to look at their data systems regarding unresolving EBLL's that would allow understanding of what needs are out there for re-housing, code enforcement, etc. down to a zip code level and to bring this information back to the next CLEEC meeting.

Support: Rebecca Meuninck

All in favor

No opposed.

No abstentions.

Motion passed unanimously.

IX. Continuation of CLEEC Strategic Visioning and Goal Setting Discussion- Al Vanderberg facilitator of a group discussion.

Much discussion and overview regarding the CLEEC Strategic Priorities spreadsheet and needed updates. Halfway done. Need another agency meeting (with LARA representation) to get it completed (**See attached Strategic Priorities PDF**).

Dan Lince: MSHDA entry within Strategic Priorities - Discussion regarding the Building Michigan Communities (annual) Conference (BMCC). Good opportunity to have table/exhibit with CLEEC or CLEEC subgroup.

Diane McCloskey: Needed: Lead 101 and/or other lead related agencies. Display, handouts, etc. Great agenda item/topic for the next CLEEC meeting. Diane would be interested in being a part of this.

Al Vanderberg: Update needed for the CLEEC PowerPoint for future presentations. Mr. Vanderberg could present at 3 to 4 conferences. Many entities are available for this type of presentation.

Per Al Vanderberg (Strategic Priorities discussion):

1. Send the CLEEC spreadsheet to members.
2. Get us what you would like to see (within 3 weeks) additions, additional info, changes, etc.
3. We will then redo the format (per the CLEEC's responses).
4. We then have our next agency meeting to finish the work.
5. We then share the completed spreadsheet at the next CLEEC meeting (next February).

BMCC Conference – narrow down to a table (vs. presentation) and Dan Lince can reach out to conference organizers. Collect data at a booth (if a booth is an option). (Note: 2025 conference is May 12-13 at the Lansing Center).

Include updated CLEEC PowerPoint which Mr. Vanderberg can present to assorted conferences. MDHHS will look for ways to refresh/update the existing PowerPoint and then share at next meeting for review.

X. CLEEC Member Updates

- Jameela Maun at Healthy Homes Coalition hosted an event (annually) Trunk or Treat for Lead Defeat. From their website:

“Please join us for our seventh annual Trunk or Treat for Lead Defeat. Come out for sweets and treats, leave with the knowledge of what lead is, where it is, and what you can do about it! Held during National Lead Poisoning Prevention Week, we aim to raise awareness of this continually prevalent issue in our community and specifically in the 49507 zip code. We will have dozens of community partners with resources, as well as raffle prizes and giveaways. Between the music, costumes, sweets, and prizes, this is one evening you don't want to miss!”

Successful event that gets the word out on “lead”.

Rick Stoner: The [2024 CLEEC Annual Report](#) has been uploaded to the CLEEC website. Also, there are numerous other needed website updates that are currently being worked on (e.g., 2026 meeting schedule, Commissioner appointments, etc).

XI. Action Items

- MDHHS (Tina/Carin): Pull up old CLEEC Slide deck, refresh and then call for CLEEC members to help update.
- MSHDA (Dan): Will bring information to February CLEEC meeting on BMCC conference, potential for table or presentation. Have a tool for the collection of feedback/data at the table.
- MDHHS (Sarah): Will check with MDHHS Comms regarding the level of review needed for CLEEC direct materials
- MDHHS: Make Changes/Additions to CLEEC Work Plan:
 - Add section or sections on communication plan.
 - Add CLEEC Support line to each section.
 - Add current state of objective.
 - Add color coding key.
 - Note notation for new or existing task.
- MDHHS (Anthony): Develop proposal for how we can get to epidemiologic look at children with unresolving EBLs by ZIP code (versus those children who have resolved).
- MDHHS (Rick): Send out work plan in excel format for members to provide feedback/additions. Send out signed appointment memo for Sarah to members.

XII. Adjourn

Motion: Jameela Maun - To adjourn.

Support: Dan Lince

All in favor

No opposed.

Meeting adjourned at 11:46 a.m.

**Next Meeting is TBD pending vote on 2026 meeting schedule
(See attached approved 2026 meeting schedule.)**

MICHIGAN CHILD LEAD EXPOSURE ELIMINATION COMMISSION (CLEEC)

2026 MEETING SCHEDULE (**Wednesdays**)

DATE	TIME	LOCATION
FEBRUARY 11	10 a.m. – 12 p.m.	VIRTUAL
APRIL 8	10 a.m. – 12 p.m.	VIRTUAL
JUNE 10	10 a.m. – 12 p.m.	In-Person, 333 S. Grand Avenue, Lansing Grand Conference Room
AUGUST 12	10 a.m. – 12 p.m.	VIRTUAL
OCTOBER 14	10 a.m. – 12 p.m.	In-Person, 333 S. Grand Avenue, Lansing Grand Conference Room
DECEMBER 9	10 a.m. – 12 p.m.	VIRTUAL

Dr. Jennifer McDonald is a general pediatrician at Trinity Health IHA Medical Group Arbor Park practice in Ypsilanti. Dr. McDonald holds a Bachelor of Arts in psychology from the University of Chicago, a Master of Public Health in epidemiology from the University of Michigan School of Public Health, and a Doctor of Medicine from the University of Michigan Medical School. She completed preventive medicine and pediatric residency training at the University of Michigan. Dr. McDonald previously worked as a consulting physician within the Division of Environmental Health at MDHHS (2020-2022). Dr. Jennifer McDonald is appointed as a physician for a term commencing November 6, 2025, and expiring December 14, 2027.

Maggie Kabore is a registered nurse who is currently employed as a Nurse Coordinator at Washtenaw County Health Department. She coordinates the lead and tuberculosis programs. Maggie received her nursing degree from Eastern Michigan University. Her background is in global health, having worked primarily with malnourished pediatric patients in Burkina Faso (West Africa) directing a renutrition center for about 9 years. In the US, she worked in the medical ICU for a few years and since 2020 has been working at the Washtenaw County Health Department.

GARLIN GILCHRIST II
LT. GOVERNOR

November 6, 2025

Director Elizabeth Hertel
Michigan Department of Health and Human Services
333 S. Grand Avenue
Lansing, Michigan 48909

Dear Director Hertel:

Pursuant to Executive Order No. 2017-2, please be advised of the following appointments to office:

Child Lead Exposure Elimination Commission

Jennifer McDonald, of 615 Madison Place, Ann Arbor, Michigan 48103, Washtenaw County, succeeding Allison Dickson, who has resigned, appointed as a physician for a term commencing November 6, 2025, and expiring December 14, 2027.

Margaret Kabore, of 331 East Michigan Avenue, Milan, Michigan 48160, Washtenaw County, succeeding Jane Nickert, who has resigned, appointed as a member of a local health department for a term commencing November 6, 2025, and expiring December 14, 2025.

Respectfully,

November 7, 2025

Dr. Jennifer McDonald
615 Madison Place
Ann Arbor, Michigan 48103

Dear Dr. McDonald:

Congratulations on your appointment to the Michigan Child Lead Exposure Elimination Commission (CLEEC) representing physicians. Your term is effective November 6, 2025, and expires December 14, 2027.

The CLEEC acts in an advisory capacity to the Governor to coordinate and collaborate with all levels of government and stakeholders regarding programs and policies related to the elimination of child lead exposure. Through your advocacy we can focus on primary prevention to eliminate all sources of lead exposure.

As part of your charge, the Commission will:

- Review and prioritize the recommendations within the Child Lead Poisoning Elimination Board Report.
- Implement recommendations as guided by the prioritization.
- Monitor ongoing lead exposure issues across the State of Michigan.
- Coordinate lead elimination efforts across the State.
- Collaborate with lead stakeholders to assure coordinated lead elimination efforts.

The next CLEEC meeting will be held Monday, November 17, 10 a.m. – 12 p.m. virtually. Additional details will be emailed to you from the Environmental Health Bureau. Should you have any questions in the interim, please contact Rick Stoner at stonerr2@michigan.gov.

Thank you for your service and commitment to the residents of Michigan.

Sincerely,

A handwritten signature in blue ink, appearing to read "Elizabeth Hertel".

Subject: CLEEC

Good morning, Director,

Since the summer, we have worked to transition management of the CLEEC from the

CME office to PHA's Environmental Health Bureau. The next step needed is for Dr SLC to be designated as the CLEEC representative in place of Carin Speidel.

We would just need your approval via email for naming Dr SLC the designee from MDHHS.

Many thanks for your consideration.

Child Lead Exposure Elimination COMMISSION

BYLAWS

ARTICLE I

Name

The name of this organization shall be the Child Lead Exposure Elimination Commission hereafter referred to as the Commission.

ARTICLE II

Purpose

The purpose of the Commission is to:

2.1 Coordinate and collaborate with all levels of government and stakeholders regarding programs and policies related to the elimination of child lead exposure.

2.2 Provide guidance to the Governor and the Director of the Department regarding the state's coordination of all efforts to eliminate child lead exposure throughout the state.

2.3 Work with the Child Lead Poisoning Elimination Board and stakeholders to prioritize the recommendations made in the Report.

2.4 Develop an action plan to implement the recommendations in the Report and other initiatives developed by the Commission.

2.5 Provide guidance to the Governor and the Director of the Department regarding the implementation of the Commission's action plan for the elimination of child lead exposure.

2.6 Monitor progress toward reaching the ultimate goal of eliminating child lead exposure in Michigan and advise the Governor and the Department as to the progress of implementing the Commission's action plan.

2.7 Continue to maintain and expand the master inventory of resources

and programs related to the prevention of child lead exposure created by the Child Lead Poisoning Elimination Board.

ARTICLE III

Membership

- 3.1 Members are appointed by the Governor. Ex officious are designated by department directors.
- 3.2 The Commission may recommend that the Governor remove a member if:
 - a. a member engages in activities, which represent a conflict of interest with the Commission work; and/or
 - b. a member is absent for 3 meetings in a one-year period unless the absence is due to extenuating circumstances as approved by the Commission: and/or
 - c. a member acts in an unprofessional or unethical manner with respect to the mission, the purpose, or the goals of the Commission.

ARTICLE IV

Officers

- 4.1 The Chairperson is designated by the Governor. A vice chair shall also be designated.
- 4.2 The Chairperson serves at the will of the Governor in that capacity.
- 4.3 Duties of officers
 - a. **Chairperson.** The Chairperson shall preside at all Commission meetings.
 - b. **Vice Chairperson.** The Vice Chairperson shall preside at any Commission meeting in the absence of the Chairperson and shall have all the powers of the Chairperson at such meetings.

ARTICLE V

Commission Meetings

- 5.1 The Commission shall meet not less than once a month, at times and places predetermined by vote.
- 5.2 Special meetings of the Commission may be called by:

- a. The Chairperson, or upon written request of five (5) members of the Commission to the Chair. All members of the Commission shall receive 3 business days' notice in advance of special meetings, and such notice shall designate the purpose of the meeting.
 - b. Emergency meetings may be called by the Chairperson.
- 5.3 Regular meetings may be held in various parts of the state as approved by the Commission.

ARTICLE VI

Quorum, Voting Procedures, and Rules of Order

6.1 A quorum shall consist of a majority of the voting members appointed and serving. A quorum is required before voting shall occur.

6.2 A majority vote of those members present and voting is needed for official action. The presiding officer of the Commission and any of its committees shall vote in accordance with parliamentary procedure (Robert's Rules of Order, latest edition). Members must be present to vote. No voting will be permitted over the phone or through any method other than in person.

6.3 Except as otherwise provided by these bylaws, Robert's Rules of Order (latest edition) shall govern the conduct of business of the Commission

ARTICLE VII

Amendments to Bylaws

These Bylaws may be amended by a majority of the voting members of the Commission after the Commission members have been given at least one regular meeting in advance to consider the proposed amendments in written form.

ARTICLE VIII

Correspondence, Publicity, Legislation, and Records

8.1 Correspondence. MDHHS letterhead shall be used for official communications. MDHHS letterhead must only be used for authorized business.

8.2 Publicity

- a. No Commissioner may represent the Commission or make public statements on behalf of the Commission unless duly authorized by the Chairperson and/or the Communication Director of the Department.
- b. Releases to the press and other mass media issued in the name of the Commission shall be approved by the Department.

8.3 Legislation

8.3.1 The Commission may make policy statements regarding issues impacting child lead exposure, and may take positions on specific pieces of legislation in line with these policy statements. The Commission shall work with the Department's Office of Legislative Affairs prior to taking a position on legislation.

8.4 Records. It shall be the responsibility of the Michigan Department of Health and Human Services to preserve essential records.

8.4.1 The Commission shall adhere to the provisions of the Michigan Freedom of Information Act.

These Bylaws shall be effective upon adoption by the Child Lead Exposure Elimination Commission.

Child Lead Exposure Elimination Commission (CLEEC) Work Plan for Strategic Priorities- FY 26-27

(Columns should be added under each objective to ensure all activities for that objective are documented)

Objective 1: Adopt a consistent, statewide housing code enforcement model that is proactive and explicitly addresses exposure from lead-based paint.

Task/Activity	Due Date	1	2	3	4	5	6
Assigned Task: MDHHS		Work with LARA to include RRP questions on the residential builders exam to boost knowledge.	Support an ordinance workgroup and work with local officials and partners to develop a model ordinance including RRP policy, to improve housing stock and protect kids.	Work to get internal approval to release drafted material on RRP's intersection with state and federal law to share with intrested parties.	Bring information and clarity to the CLEEC, Lead Partners, contractors, local officials, homeowners, and landlords, on RRP by reaching out to EPA to boost RRP trainings statewide.		
Assigned Task: EGLE							
Assigned Task: LARA		Coordinate meeting between MDHHS and LARA area responsible for exams.	Participate in workgroup.				
Assigned Task: MSHDA		Participate in sub-committees	BMCC Conference (education/presentation)				
Assigned Task: CLEEC (and who)		Work/convene with MML, MAC, PSC?, MTA, etc.	Model Ordinance and gain support	Educate/Advocacy	Implementation		
Assigned Task: Other							

Objective 2: Allocate funding at state and local levels for follow-up at housing units where an elevated blood lead level investigation determines risk and the property owner fails to remediate the hazard.

Task/Activity	Due Date	1	2	3	4	5	6	7
Assigned Task: MDHHS		Work with the MICLEAR System to help generate automatic LLP referrals and work with local units of government to support enforcement as needed.	Identify repeat offender homes with data and prioritize abatement activities at those addresses.	Track EBLs by owner occupied v. rentals to further refine risk factors and action steps.	Strengthen LLP Act including bench marking to federal EBL level.	Explore a query function on MICEAR to automatically flag rental properties eligible for LLP enforcement and reach out to local to see if they need assistance.	Restart a dialogue with the State AG to gauge interest in and advocate for enforcement by her office in LLP actions.	Explore alternatives to lead abatement such as modular housing
Assigned Task: EGLE		Share sampling numbers regarding lead service lines.						
Assigned Task: LARA								
Assigned Task: MSHDA		Work with MSHDA Housing Choice Voucher to work with MDHHS to improve options for HCV homes with children with EBLLs.	Solution for permanent affordable housing that prioritizes EBL families.	Open up conversation with HUD adding EBL families to the list of priority exemptions for the housing choice voucher list.	Work with MSHDA Neighborhood Development Division (NDD) add to explore coordination opportunities for EBL families.			
Assigned Task: CLEEC (and who)		Utilize existing funding and prioritize that funding. Obtain additional funding? Work with Governor's office.						
Assigned Task: Other								

Objective 3: Pass legislation requiring a contractor seeking a building or renovation permit on a pre-1978 home to provide proof of his/her Lead-Safe Certification as required by the federal Renovation, Repair and Painting Rule of 2010. Pass legislation requiring a contractor seeking a building or renovation permit on a pre-1978 home to provide proof of his/her Lead-Safe Certification as required by the federal Renovation, Repair and Painting Rule of 2010.

Task/Activity	Due Date	1	2	3	4	5	6
Assigned Task: MDHHS		Reach out to MN for best practice around their requirement for proof of RRP certification for all pre 1978 building permits. Work with LARA to incorporate the requirement into MI Building Code.	Work with our Communication team to develop and deploy education materials and promotions aimed at contractors and homeowners around the need for RRP training and trained professional for work in n pre-1978 homes.				
Assigned Task: EGLE							
Assigned Task: LARA							
Assigned Task: MSHDA							
Assigned Task: CLEEC (and who)							
Assigned Task: Other							

Objective 4: Require a one-time lead inspection and risk assessments before the transfer or leasing of a pre-1978 home, including water testing. The owner must then disclose this information to any future buyers or renters under federal law. Provisions will be necessary to prevent these and other rental property requirements from being waived in the event of sale through land contract. Explore feasibility of lead clearance examinations as an option for municipality regulations for rental housing. Explore dust clearance technician requirements and research from other states as an option for municipality regulations for rental housing.

Task/Activity	Due Date	1	2	3	4	5	6
Assigned Task: MDHHS		Resurrect formerly introduced HB 5419 requiring a lead inspection before the sale or transfer of pre -1978 property. Share with the CLEEC and our advocacy partners for further action.	Develop talking points for any prospective legislation and review advocates' materials for accuracy as requested.	Provide educational materials and press release as needed to support.			
Assigned Task: EGLE							
Assigned Task: LARA							
Assigned Task: MSHDA							
Assigned Task: CLEEC (and who)							
Assigned Task: Other							

Objective 5: Collaborate with identified state departments for increasing lead abatement workforce in Michigan.

Task/Activity	Due Date	1	2	3	4	5	6
Assigned Task: MDHHS		Boost contractor outreach through the development of an industry newsletter and lunch and learn events to promote work and scholarship oppertunities.	Explore HUD funding streams internally, to see if we have any additional dollars to direct to maximize contractor recruitment initiatives.	Reseach the number of active lead professionals in neighboring states to see how we compare and if we may be short on lead inspectors.	Develop a plan and possible activities to re-engage lapsed lead professionals and move them back to an active status and bidding jobs again. Present plan to the CLEEC for input.	Review our current workforce scholarship program and offer changes to increase utilization and retention of contractors who receive support. Direct contractor outreach will be part of this process.	
Assigned Task: EGLE							
Assigned Task: LARA							
Assigned Task: MSHDA							
Assigned Task: CLEEC (and who)							
Assigned Task: Other
