

Michigan Health Information Technology Commission

February 22, 2022

The Michigan Health Information Technology Commission is an advisory Commission to the Michigan Department of Health and Human Services and is subject to the Michigan open meetings act, 1976 PA 267, MCL 15.261 to 15.275

Hybrid “Housekeeping” Guidelines

Access

- **This meeting is being recorded.**
- For members calling into the meeting and unable to use web-based meeting features, an open comment period will be offered at the end of the meeting.
- **If at any time you have accessibility or technical issues during the meeting,** please contact WirthK4@michigan.gov.
- **Web cam video display is reserved for commissioners and presenters.**

Interacting

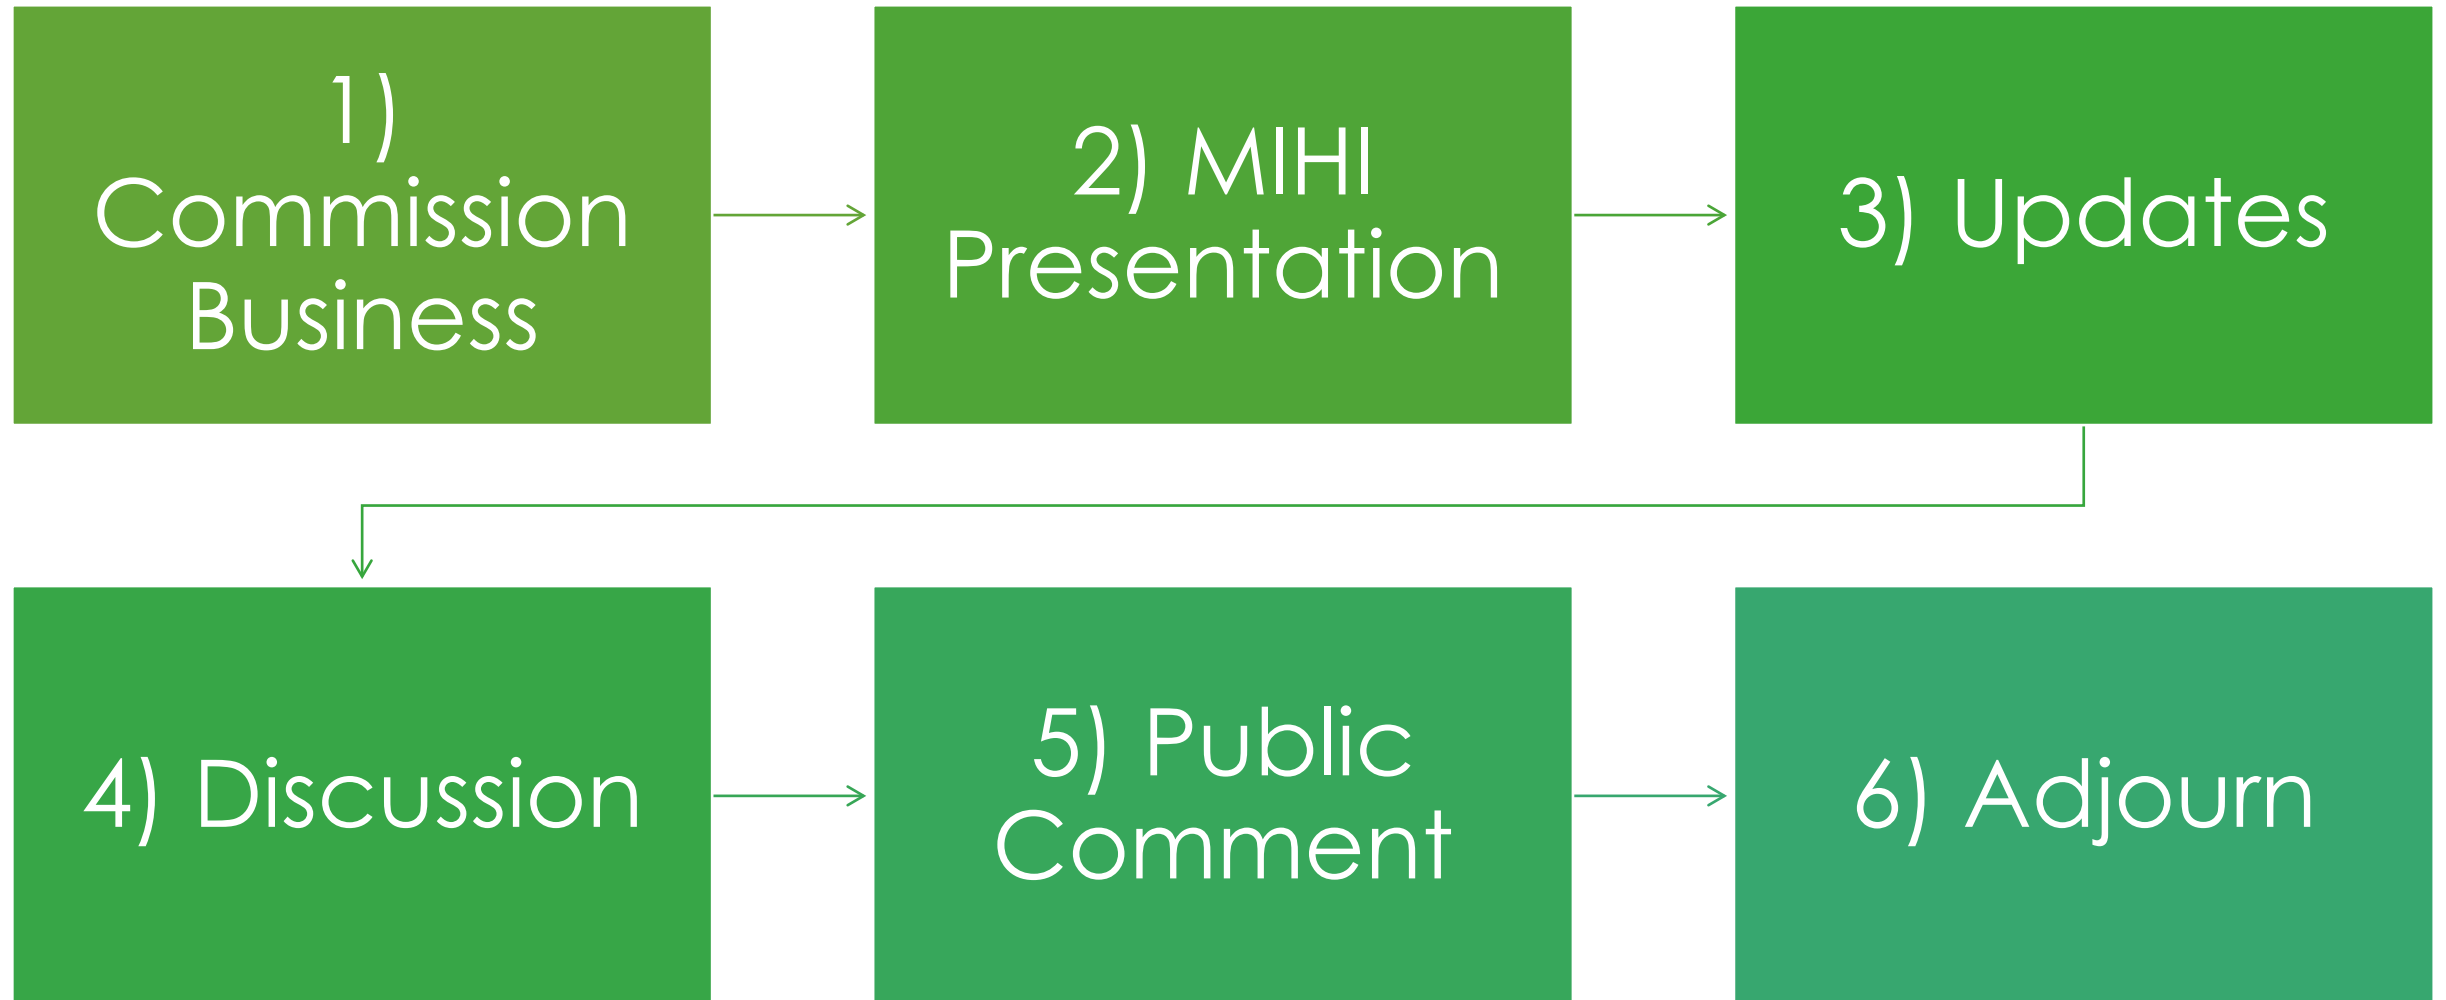

- **The group chat will be monitored and utilized throughout the meeting.** Any questions or comments raised in the group chat will be read aloud.
- Unless otherwise specified, **all attendees (besides the presenter) will be muted during a presentation.** This rule will reduce background noise or “feedback.”
- **Please identify yourself by stating your name before you begin speaking.** This will assist us in keeping accurate meeting minutes.
- **Please be sure to mute yourself after you are done speaking,** this will reduce feedback during the meeting.

Public Participation

- Except for the public comment period, **public participants should remain muted unless invited to speak by the commission.**
- Per the Michigan Open Meetings Act, disclosing your identity in this meeting is not required.
- The public comment period will be accessible for multiple modalities at the end of the meeting.
- For those attending in person, please fill out a blue comment card and we will call on you during the public comment period.

September 2022 Meeting Agenda

1. Commission Business

A. Quorum

B. Housekeeping – Hybrid Meeting Format Logistics

C. Welcome and Introductions

D. Approve Meeting Minutes

Led by: Chair

2. Presentation and Q&A Broadband & Digital Equity Initiatives

Allie Herkenroder
Digital Equity Director
Michigan High-speed Internet Office

3. Updates

Quarterly Report

Bridge to Better Health

Michigan's Five-Year Health IT Roadmap

Led by: MDHHS

Q3 2022

Building the Bridge to Better Health

Tracking Michigan's 5-year Health IT Roadmap

Michigan
Health IT Roadmap

Tracking progress: Identifying champions and empowering leaders

INITIATIVE: Identify champions and empower leaders	Lead	Status				
		Plan	Build	Implement	Evaluate	Improve
1A-1: Track, monitor, evaluate roadmap	MDHHS					
1B-1: Refresh state Health IT governance	HIT Commission / MDHHS

Tracking progress: Addressing the digital divide

Exigent Milestones	Summary	Status	Next Steps
Capital projects fund	\$250 million ARPA funding for broadband infrastructure grants	Applications for funds expected to open late October	Must be expended by the end of 2026
Broadband Equity Access Deployment (BEAD) Program planning	\$5 million planning grant over one year, in preparation for application for \$1.5-1.7 billion in funding for infrastructure grants over 5 years	Planning starts end of September	September 2023
FCC broadband access map	Based on data provided by internet service providers, FCC will publish a map of underserved areas that will guide BEAD allocation. States have a window of time during which to challenge the findings.	~Thanksgiving the map will be published	Unknown

Tracking progress: Addressing the digital divide

Exigent Milestones	Summary	Status	Next Steps
Digital Equity Act Planning	\$1.3 million planning grant over one year in preparation for application for \$1.5-1.7 billion in funding for infrastructure grants over 5 years	Planning starts end of September	September 2023
BEAD Application	Application for BEAD funding based on FCC map of underserved locations. Application is due 6 months from when FCC map is finalized.	Expected to begin Q3 CY23	
BEAD Funding Available		Q4 CY23	5-year funding – should end Q4 2028

What you can do:

- Sign up for updates from the [MiHI Office](#) to stay apprised of opportunities to engage
- You can apply for funding through the [Emergency Broadband Benefit Program](#)

Tracking progress: Improving onboarding and technical assistance

INITIATIVE: Improving onboarding and Technical Assistance	Lead	Status				
		Plan	Build	Implement	Evaluate	Improve
4A-1: Support statewide TA programs	MDHHS	<div></div>				
4B-1: Promote continued implementation of telemedicine	MDHHS BPHASA / HITC					

Legend: Not started Early stage Advanced stage ☒ Complete At risk

Tracking progress: Improving onboarding and technical assistance

Exigent Milestones	Summary	Status	Next Steps
Medicaid Telemedicine Policy Public Comment	COVID-era telemedicine policies have been reviewed and revised, with most expansions preserved. Policy will go to the public for comment mid-August.	Open for public comment	Policy expected to be final by the end of the public health emergency, currently 10/13/22
Expansion of ADT sending facilities	MiHIN agreement with PointClickCare should increase SNF ADT engagement from 230 SNFs to over 400 by the end of 2023.	MiHIN onboarding SNFs	Report out from MiHIN in January 2023
BCBSM Hospital P4P and Vendor Initiative Ambulatory CCDAs	MiHIN receives hospital CCDAs from 95% of hospitals and from their ambulatory providers, now beginning to receive from practice units and Provider Organizations (PO).	Implementation, continued vendor engagement	MiHIN working on filtering, reporting out November 2022
Conformance Task Force	A sub-group of MiHIN Operations Advisory Committee (MOAC), Hospital, and PO User Group focused on data standards and development of best practices for data sharing.	Ongoing, bi-monthly meetings	MDHHS will continue to engage and participate

What you can do:

- Public comment on Medicaid [Telemedicine policy](#) closed 9/20/22; stay tuned for the final policy

Tracking progress: Modernize public health

INITIATIVE: Modernize public health	Lead	Status				
		Plan	Build	Implement	Evaluate	Improve
5A-1: Immunizations, death notifications, ECRs	MDHHS PHA / MiHIN	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>		
5A-2: Registries and analytics	MDHHS / MiHIN	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>		
5B-1: Enhance data services, workforce	MDHHS PHA	<input type="checkbox"/>	<input type="checkbox"/>			
5B-2: Improve data quality	MiHIN	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>		
5C-1: Training and education	MDHHS PHA	<input type="checkbox"/>				
5C-2: Modernize public health systems	MDHHS PHA	<input type="checkbox"/>
