Individual Field Application Exercise: Teaming

Worksheet

Practice: Through practice we will build the capacity and motivation to enhance our skills.

- Identify one teaming skill from the engagement module to practice in the field with one family during the next month:

Skill _____

Family Name _____

What will I say and do next time I meet with this family? _____

Small Steps of Change: Making small steps of change will positively impact families and increase our positive outcomes.

- Identify small steps you will make during the next two months to build on your current engagement skills:

Small Steps

Support: Supervisors and MiTEAM Specialists are committed to helping caseworkers increase their knowledge, skills and abilities related to teaming.

Type of Support	Date & Time	Help Requested
