

Linking Medicare and Medicaid for you

MI Health Link is a new program that will help you more easily get health care and services covered by both Medicare and Medicaid

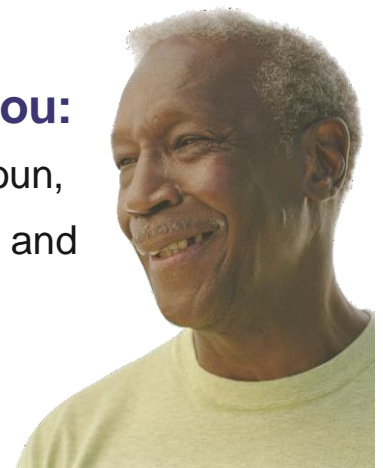

Single plan coverage for:

- Health care
- Behavioral health care
- Home and community-based services
- Nursing home care
- Medications

You may be eligible for MI Health Link if you:

- Live in the counties of Barry, Berrien, Branch, Calhoun, Cass, Kalamazoo, Macomb, St. Joseph, Van Buren and Wayne or any county in the Upper Peninsula
- Are age 21 or older
- Have full Medicare and full Medicaid
- Are not enrolled in hospice
