

# ONP Summit: Achieving More Together

## Strategic Doing Breakout Sessions (1hr 45min)

**Titles:** Strategic Doing Breakout Sessions

1. Breakout Session: Nurse Retention
2. Breakout Session: Professional Organization Member Engagement
3. Breakout Session: Nursing Workforce Safety
4. Breakout Session: Difficulty Obtaining Nurse Preceptors

**Description:** (The same for all breakout rooms)

During these interactive breakout sessions, summit participants will engage in focused discussions on critical nursing challenges. Guided by experienced moderators, each session will follow the **Strategic Doing** process to leverage collective strengths, identify key priorities, and explore innovative collaboration opportunities. By working together, nursing organizations will develop actionable strategies to address these pressing issues effectively.

**Objectives:** (The same for all breakout rooms)

1. Utilize the Strategic Doing model to analyze and explore the issue.
2. Identify potential solutions and strategies for addressing the challenge.
3. Recognize and leverage group assets for impact.
4. Define concrete action steps to drive meaningful change.
5. Develop a SMART goal-based action plan to implement solutions.

**Considerations for Moderators:**

- The Breakout Session Suggested Timeline (below) accounts for a total of 70 minutes, leaving some time for extra discussions where needed.
- Encourage the group to consider: How will you bring back an action f/u to your organization?
- Consider having somebody in the room be a note taker – there will be a templated note page in participants folders that follows the suggested timeline.
- At the discretion of the moderator and breakout group participants, possibly create a shared drive for reporting back to the group – maybe one for each group to share content/progress.

# ONP Summit: Achieving More Together

## Breakout Session Suggested Timeline:

Task	Time Spent on Task
Share Assets	5 min
Combine for Opportunities	10 min
Rank Opportunities	5 min
Articulate Outcomes/Metrics	15 min
Design a Pathfinder Project	10 min
Develop an Action Plan	5 min
Details for the Next Meeting	5 min
Develop process for Reporting Back to the group (Google drive?)	5 min
Plan for Reporting Out (at EOD panel)	10 min
