Instructor List

Instructors of the EMS education program must be a licensed Instructor Coordinator (IC) to the level in which they are teaching and approved by the Department with the application for Initial Education Program. A subject matter expert (who is not a licensed IC) may teach a portion of the class, also if approved by the Department, with the application for Initial Education Program or Notification of Change Form. The SME is limited to no more than 5 consecutive days and no more than 25% of the program.
