Dear Tribal Chair and Health Director:

RE: Medicaid Coverage of Services Associated with a Clinical Trial

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment (SPA) and Alternative Benefit Plan (ABP) Amendment request to the Centers for Medicare & Medicaid Services (CMS).

The purpose of the SPA is to update the current State Plan and ABP to include reference to covered services associated with a qualified clinical trial in response to Section 210 of the Consolidated Appropriations Act of 2021. It is anticipated the SPA will positively impact Native American beneficiaries, tribal health clinics, and urban Indian organizations. The anticipated effective date of the SPA is January 1, 2022.

There is no public hearing scheduled for this SPA. Input regarding this amendment highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at Elliott-EganL@michigan.gov. **Please provide all input by December 17, 2021.**

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the SPA, according to the tribes' preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.

Public Notice
Michigan Department of Health and Human Services Medical Services Administration Coverage of Services Associate with a Clinical Trial State Plan Amendment Requests

The Michigan Department of Health and Human Services (MDHHS) plans to submit a State Plan Amendment (SPA) request to the Centers for Medicare & Medicaid Services (CMS). The request includes a SPA and corresponding alternative benefit plan (ABP). SPA to describe coverage of services associated with a clinical trial in response to Section 210 of the Consolidated Appropriations Act of 2021. The anticipated effective date for the Coverage of Services Associated with a Clinical Trial SPAs is January 1, 2022.

Routine beneficiary costs associated with participation in a qualified clinical trial are covered to the same extent they are covered under the State Plan when the item or service is not provided in association with a qualified clinical trial (as defined in the Act). Services not otherwise covered under the State Plan, including the investigational item or service, may be excluded from coverage.

In compliance with 42 CFR 5.440.345, individuals under 21 years of age receiving Medicaid benefits will continue to have access to services within the full early and periodic screening, diagnosis, and treatment (EPSDT) benefit as defined in Section 1905(r) of the Social Security Act.

It is anticipated the SPAs will be budget neutral for the State of Michigan.

There is no public meeting scheduled regarding this notice. Any interested party wishing to request a written copy of the SPA or wishing to submit comments may do so by submitting a request in writing to: MDHHS/Medical Services Administration, Program Policy Division, PO Box 30479, Lansing, MI 48909-7979, or e-mail MSADraftPolicy@michigan.gov by December 29, 2021.
