IMPORTANT NOTICE – PLEASE READ CAREFULLY

Dear Administrator:

RE: Revised Medicaid Enrollment Checklist (for New or Currently Enrolled Facilities Undergoing Change of Ownership) to Include Michigan Department of Health and Human Services (MDHHS) Local Office Reminder

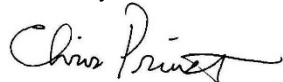

The purpose of this letter is to advise facilities of a revised nursing facility checklist. The checklist has been revised to include an MDHHS **local office reminder**. This reminder states:

Notify the local MDHHS office if there is change in the facility's NPI/Medicaid Provider ID number. Notification must be made via a revised Facility Admission Notice MSA-2565-C to the local office. Notification applies to a facility enrolling in the Medicaid Program or an enrolled facility that has a change of ownership where the NPI/Medicaid Provider ID number changes, including an enrolled ventilator dependent unit. Note: When completing the MSA-2565-C the NPI field must also contain the effective date of the new NPI.

Letter L 09-06 initially provided nursing facilities with a checklist identifying the necessary steps to become enrolled in the Michigan Medicaid Program and new or currently enrolled facilities undergoing a change of ownership. The revised checklist is attached.

The checklist is also posted online at www.michigan.gov/medicaidproviders >> Billing and Reimbursement >> Provider Specific Information >> Nursing Facilities.

Sincerely,

Chris Priest, Director
Medical Services Administration

Medicaid Enrollment Checklist for Nursing Facilities (New or Currently Enrolled Facilities Undergoing a Change of Ownership)

Nursing facilities requesting new enrollment with the Michigan Medicaid Program or those facilities undergoing a change in ownership must complete the following steps to facilitate successful Medicaid enrollment.

Nursing Facility Level of Care Determination (LOCD)

NEW facility: If you have been or will be issued a new National Provider Identification (NPI) number, you must complete a **hard-copy** version of the Michigan Medicaid Nursing Facility Level of Care Determination (LOCD) according to Medicaid policy (within 14 calendar days of admission or enrollment). Once your NPI number is issued, you must enter all hard-copy LOCDs into the online LOCD website.

CHANGE OF OWNERSHIP: If you will not be issued a new NPI (new owner will continue operations under the previous owner's NPI), you must continue to conduct and enter the online version of the LOCD according to Medicaid policy (within 14 calendar days of admission or enrollment). **However**, you may not bill and you may not enter the beneficiary's Medicaid ID in the LOCD website until you receive a new rate notice from the Medicaid Reimbursement and Rate Setting Section (RARSS).

Medicaid policy regarding the LOCD is contained in the Medicaid Provider Manual located at www.michigan.gov/medicaidproviders >> Policy & Forms >> Medicaid Provider Manual >> Nursing Facility >> Coverages >> Michigan Medicaid Nursing Facility Level of Care
