

# Family Center for Children and Youth with Special Health Care Needs has Conference Scholarships!

Are you a parent of a child, 0-26 with a special need?  
Are you a youth, 14-26 with a special need?

Do you live in Michigan?

Is there a conference within the U.S. with information  
about your child's diagnosis?  
How about your own diagnosis, if you are 14-26?

**Knowledge is power.  
Information is liberating.  
Education is the premise of  
progress, in every society, in  
every family.**

- KOFI ANNAN

Is most of the information at the conference educational?  
Is there more learning time than free time?
