Dear Tribal Chair and Health Director:

RE: State Plan Amendment Requests to Assist in Limiting Lead Exposure through Lead Abatement in Flint and Targeted Areas of Michigan

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment. The purpose of this amendment request is to provide a funding mechanism for expanded lead abatement activities in Flint, Michigan, and other areas within the State of Michigan. Federal assistance is necessary to minimize and further prevent any long-term adverse health effects associated with lead exposure, both in Flint and across Michigan. This targeted and time-limited health services initiative would complement other federal, state and local efforts to abate lead hazards from the homes and improve the health of Medicaid and Children's Health Insurance Program (CHIP) eligible individuals.

The State Plan Amendment will soon be submitted to the Centers for Medicare and Medicaid Services (CMS) and will positively impact Native American beneficiaries. The anticipated effective date is October 1, 2016.

Given this request is intended to address an emergency, it is not possible to adhere to the sixty (60) day notification requirement. There is no public hearing scheduled for this State Plan Amendment. However, input regarding these Amendments is highly encouraged, and comments regarding this Notice of Intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan Tribes. Lorna can be reached at 517-284-4034 or via email at Elliott-EganL@michigan.gov. **Please provide all input by November 14, 2016.**

In addition, MDHHS is offering to set up group or individual meetings for the purposes of consultation in order to discuss this amendment, according to the tribes' preference. This consultation meeting will allow tribes the opportunity to address any concerns and

voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.

Sincerely,

A handwritten signature in black ink that reads "Chris Priest". The signature is written in a cursive style with a large initial "C" and a long, sweeping underline.

Chris Priest, Director
Medical Services Administration
