Dear Tribal Chair and Health Director:

**RE:** Notice of Intent to Submit a State Plan Amendment to Update Language Related to Liens and Adjustments or Recoveries

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment.

Pending approval by the Centers for Medicare and Medicaid Services (CMS), the Michigan Department of Health and Human Services (MDHHS), Medical Services Administration, intends to update and clarify language and ensure consistency with requirements set forth in federal statute regarding the definition of estate within the Liens and Adjustments or Recoveries section of the State Plan. MDHHS expects minimal impact to Native American beneficiaries, as most assets owned by these individuals are exempt from estate recovery. The anticipated effective date of this State Plan Amendment is January 1, 2016.

There is no public hearing scheduled for this State Plan Amendment. Input regarding this Amendment is highly encouraged and comments regarding this Notice of Intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan Tribes. Lorna can be reached at 517-373-4963 or via e-mail at [Elliott-EganL@michigan.gov](mailto:Elliott-EganL@michigan.gov). **Please provide all input by February 26, 2016.**

In addition, MDHHS is offering to set up group or individual meetings for the purposes of consultation in order to discuss this Amendment, according to the tribes' preference. This consultation meeting will allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.

Sincerely,

Chris Priest, Director  
Medical Services Administration
