Dear Home Help Agency Provider:

RE: Home Help Agency Provider Rate Increase

Pursuant to Public Act 67 of 2019, Home Help agency providers will receive a rate increase for dates of service on and after October 1, 2019. The increased funding for Fiscal Year 2020 allows the Michigan Department of Health and Human Services (MDHHS) to move to one statewide rate for all Home Help agency providers. The new statewide rate is \$16.08 an hour. The rate increase will be reflected in payments for October services issued in November 2019.
