Dear Tribal Chair and Health Director:

RE: Notice of Intent to Submit a State Plan Amendment to Adjust the Fixed Fee Schedule Rates Regarding Behavioral Health Treatment Services/Applied Behavior Analysis Services for Children with Autism Spectrum Disorder (ASD)

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment.

Pending approval by the Centers for Medicare and Medicaid Services (CMS), MDHHS intends to increase the fixed fee schedule rate amount for Behavioral Health Treatment/Applied Behavior Analysis services (Healthcare Common Procedure Coding System [HCPCS] code H2019) for children with ASD. The treatment for ASD is a required Medicaid state plan benefit under the Early and Periodic Screening, Diagnosis and Treatment (EPSDT) program. All children diagnosed with ASD, including Native American children, are eligible to receive autism-related services through 20 years of age. The fixed fee schedule rate will increase from \$45 per hour to \$55 per hour for behavior technicians and from \$50 per hour to \$60 per hour for all other non-behavior technician staff. MDHHS expects minimal impact to Native American beneficiaries as this Amendment does not impact beneficiary eligibility requirements for this EPSDT benefit. The anticipated effective date of this State Plan Amendment is October 1, 2016.

There is no public hearing scheduled for this State Plan Amendment. Input regarding this Amendment is highly encouraged, and comments regarding this Notice of Intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan Tribes. Lorna can be reached at 517-284-4034, or via email at Elliott-EganL@michigan.gov. **Please provide all input by December 9, 2016.**

In addition, MDHHS is offering to set up group or individual meetings for the purposes of consultation in order to discuss this Amendment, according to the tribes' preference. This consultation meeting will allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.

Sincerely,

A handwritten signature in black ink that reads "Chris Priest". The signature is fluid and cursive, with a large initial "C" and a long, sweeping underline.

Chris Priest, Director
Medical Services Administration
