1.0 General Report Overview

The Michigan Department of Health and Human Services (MDHHS) is required to record accruals at the end of the Fiscal Year (FY) as part of the State's year-end closing process. To meet that requirement, the MDHHS needs to know the financial status of all MDHHS obligations as of September 30. The Year End Accrual Schedule compiles financial information similar to what is reported in Section 5 of the Medicaid Contract Reconciliation and Cash Settlement (CRCS). The Prepaid Inpatient Health Plan (PIHP) should encourage timely financial reporting from their contractors and make every effort to accurately estimate the FY revenues and expenditures.

2.0 Report - Due Dates

Refer to the reporting grid incorporated in Attachment P.7.7.1.1 of the Contract for identification of report due dates. The reporting grid can be found on the MDHHS website: http://www.michigan.gov/mdhhs/0,4612,7-132-2941_38765---,00.html

The report due date has been estimated based on the historical closing schedule set by the Michigan Department of Management and Budget. This date is subject to change. If the due date changes, notification will be sent to the PIHP Director and the Finance Officer.

3.0 Report Submission

3.1 Report Submitted via US Mail

This is no longer applicable. Electronic report submission required.

3.2 Report Submission – Electronic

The report should be submitted electronically to the department by the due date identified in 2.0 above at MDHHS-BHDDA-Contracts-MGMT@michigan.gov.

The report's file name must identify the reporting fiscal year, period covered (submission type), agency name, report title and date of submission. Example: For the FY XX year end accrual reporting package submitted from network180 for the Medicaid Year End Accrual Schedule report, the file name should read **FYXX YEC network180 MEDYEC MM-DD-YYYY**.

Refer to the Electronic Report Submission Guidelines for report submission specifications.
