Subject: Current Listing of School Based/School Linked Health Centers (Child and Adolescent Health Centers) Certified to Bill Medicaid Qualified Health Plans

Effective Date: Upon receipt

Program Affected: Medicaid

The published phone number in MSA 97-14 Bulletin is incorrect. This policy bulletin will publish the correct phone number for the Division of Family and Community Health.

Attached is an updated list of School Based School Linked Health Centers (Child and Adolescent Health Centers) certified to bill Medicaid Qualified Health. This list replaces the list published in MSA 99-07 Bulletin. Updated lists of approved SBSLHCs may be obtained by telephoning the Michigan Department of Community Health's Division of Family and Community Health at (517) 335-8898.

Do not confuse SBSLHCs with Medicaid's School Based Program for students enrolled in special education or who receive outreach services through school districts enrolled in the School Based Services Program. SBSLHCs provide access to preventive and primary care services for low-income children who live in communities that tend to be served by fewer providers.
