

**Bulletin Number:** MSA 16-32

**Distribution:** Dentists and Dental Clinics

**Issued:** November 30, 2016

**Subject:** Correction to Bulletin MSA 16-27

**Effective:** Immediately

**Programs Affected:** Medicaid

Beneficiaries under age 21 will receive dental care through Medicaid Fee-for-Service until their enrollment in **Healthy Kids Dental** becomes effective. In most cases, a beneficiary will be enrolled in **Healthy Kids Dental** on the first day of the next available month following their Medicaid eligibility. It is essential that dental offices verify the beneficiary's eligibility and enrollment prior to each appointment since the determination occurs on a monthly basis.

This is a change to the enrollment process described in bulletin MSA 16-27, which indicated beneficiaries would be enrolled in **Healthy Kids Dental** as soon as they become Medicaid eligible. All other policies and procedures described in MSA 16-27 regarding the **Healthy Kids Dental** program remain unchanged.
