Dear Audiologist Provider:

Please be advised that the temporary technical problems with the Community Health Automated Medicaid Processing System (CHAMPS) revalidation process for audiology providers have been resolved. The revalidation process for all applications has been successfully completed. Providers should verify that their revalidation request has been approved.

If you have not yet submitted a revalidation request, the deadline for revalidation is September 30, 2008. For additional information regarding the revalidation process, review policy bulletin MSA 08-33.

If you have any questions regarding the revalidation process, please contact the CHAMPS Helpline at 1-888-643-2408. Your cooperation during this period of CHAMPS implementation is very much appreciated.

Sincerely,

A handwritten signature in black ink that reads "Paul Reinhart".
