What is MI Care Team?

Living with more than one health problem can be hard, and it makes understanding what your health plan covers even more difficult. MI Care Team is a new health home benefit for Medicaid, Healthy Michigan Plan and MICHild enrollees. Our team of health care providers will work with you to coordinate, support and help manage your health care. Our care team will also help you make the right decisions to meet your social needs. With this extra support, you will be able to better understand your health care.

What are qualifying health conditions?

You must have been diagnosed with:

- Depression and/or
- Anxiety

Plus one or more of the following conditions to qualify:

- Diabetes
- Heart Disease
- Hypertension
- Chronic Obstructive Pulmonary Disease (COPD)
- Asthma

We have a team that's ready to help you. Learn more or join **MI Care Team** today.

The Michigan Department of Health and Human Services does not discriminate against any individual or group because of race, religion, age, national origin, color, height, weight, marital status, genetic information, sex, sexual orientation, gender identity or expression, political beliefs, or disability.
