Dear Pharmacy Providers and Medicaid Health Plans:

RE: Medicaid Health Plan (MHP) Reimbursement: Pharmacies With Seven (7) or Fewer Retail Outlets Effective February 1, 2021

The purpose of this letter is to notify providers that, starting with dates of service on and after February 1, 2021, Medicaid Health Plans (MHPs) will be contractually required to reimburse pharmacies with seven (7) or fewer retail outlets in accordance with boilerplate Section 1625 of Public Act [166 of 2020](#). Existing processes will adjust MHP capitation rates to account for these legislated reimbursement changes. MHPs can contact their Department contract manager with any questions.

The Michigan Department of Health and Human Services (MDHHS) is providing MHPs with a preliminary list of the Community Health Automated Medicaid Processing System (CHAMPS) enrolled pharmacies that appear to have seven (7) or fewer retail outlets. MDHHS will also provide the MHPs with weekly updates (on Mondays) of any newly enrolled pharmacies that satisfy the criteria of seven (7) or fewer retail outlets or pharmacies that no longer meet the criteria.

What is a Pharmacy with Seven (7) or Fewer Retail Outlets?

Retail pharmacies are pharmacies that are open to the general public for filling prescriptions. Pharmacies that are not open to the general public do not meet the 'retail' criteria for these MHP reimbursement changes. A pharmacy retail outlet has a unique physical location and national provider identifier (NPI). Pharmacies with seven (7) or fewer retail outlets are being identified by MDHHS as pharmacies where any individual owner of the pharmacy does not have 5% or more ownership/ownership interest in eight (8) or more retail outlets.

Providers are required to update their CHAMPS enrollment to reflect any changes to ownership, specialty, licensure, certification, managing employees, etc. Failure to update CHAMPS enrollment with changes may result in audits, post-payment recoveries, or suspension/termination of enrollment.

Refer to Attachment A for the MDHHS preliminary list of pharmacies with seven (7) or fewer retail outlets. If the pharmacy needs to be removed or considered for addition to the MDHHS list, Attachment B or Attachment C must be completed, then sent to MDHHSPharmacyServices@michigan.gov or faxed to 517-346-9877, by January 29th, 2021. Pharmacies erroneously included on the MDHHS list will be at risk of post-payment audit recoveries. Pharmacies excluded from the MDHHS list will not be entitled to the MHP reimbursement changes.

Any other questions can be emailed to Vicki Goethals, Policy Specialist, at GoethalsV@michigan.gov.

Sincerely,

A handwritten signature in black ink, appearing to read 'K. Massey', followed by a long horizontal flourish.
