Dear Tribal Chair and Health Director:

RE: Disproportionate Share Hospital (DSH) Allotment

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment.

Pending approval by the Centers for Medicare and Medicaid Services (CMS), MDHHS will make changes to allocate unspent DSH pool allotment. This change will allow the State of Michigan to distribute all otherwise unspent federal DSH allotment using the methodology specified in Step 3 (Final DSH Audit-Related DSH Redistribution) of the MDHHS Multi-Step DSH Process. These changes will be completed in a manner that is budget neutral to the State of Michigan. The State of Michigan expects these changes to have little or no impact on tribal members. The anticipated effective date of this State Plan Amendment is September 30, 2015.

There is no public hearing scheduled for this State Plan Amendment. Input regarding this Amendment is highly encouraged, and comments regarding this Notice of Intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan Tribes. Lorna can be reached at 517-373-4963 or via email at Elliott-EganL@michigan.gov. **Please provide all input by November 7, 2015.**

In addition, MDHHS is offering to set up group or individual meetings for the purposes of consultation in order to discuss this Amendment, according to the tribes' preference. This consultation meeting will allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.

Sincerely,

Kathy Stiffler, Acting Director
Medical Services Administration
