December 2008

Dear School Based Services Provider:

This letter rescinds the School Based Services provider letter L 08-33 issued the week of November 17, 2008.

After inquiries from several School Based Services providers, the reduction of the interim payments based on claim volume comparison has been re-evaluated. It appears that some of the initial data comparisons did not include the appropriate time frames and that billing practices made the data inconclusive.

Information provided by the billing agents and providers clarified that many of the School Fiscal Year (SFY) claims are not submitted until mid-November. Based on this information, the decrease of an additional 25% (50% of the original gross annual total) to the December interim payment will be refunded via payment voucher.

The Michigan Department of Community Health (MDCH), Medical Services Administration will continue to monitor claim volume and expect both billing agents and providers to be diligent about claim submission compliance. If there are no claims submitted by January 30, 2009, MDCH will consider negative action until providers are in compliance.

If you have any questions or concerns, please contact Kevin T. Bauer, Auditor, at 517-373-4522 or by e-mail at [bauerk2@michigan.gov](mailto:bauerk2@michigan.gov).

Sincerely,

A handwritten signature in black ink that reads "Paul Reinhart".

Paul Reinhart, Director  
Medical Services Administration
