

Hello,

The Family Center for Children and Youth with Special Health Care Needs is currently recruiting parents or guardians of children with moderate to severe asthma as well as a youth/young adults to participate in a panel that will discuss topics such as parent support, working with medical professionals, the impact of asthma on the child/youth, as well as on the entire family.

Children's Special Health Care Services (CSHCS) is hosting annual meetings to help support our local CSHCS offices in county health departments. This year we have chosen to focus on Asthma. We will be giving a \$75.00 Gift Card for those who are on our panel. Panel participants may also come ahead of time and enjoy the annual meeting and lunch with us. The Family Panel session is from 1:00 – 1:45 pm.

Currently, we have three dates and locations. If you can only do one of the locations, that is fine. Here are the dates and locations:

**APRIL 30, 2020**  
**Grand Rapids,**  
**MI**

**Calvin College**  
**Prince Center**

**MAY 4, 2020**  
**Lansing, MI**

**Lansing Community**  
**College**  
**West Campus**

**MAY 13, 2020**
