

**CSHCS ALERT #3-2017 - Accreditation Tool for Cycle 7 (2018) Draft**

Fri 1/27/2017 3:24 PM

Dear Colleagues,

Please see the attached draft version of our proposed Cycle 7 Accreditation Tool. We are seeking constructive feedback from all staff before submitting the final version to MPHI in March.

Please send comments to me by **2/15/17** by emailing [LarragaA@michigan.gov](mailto:LarragaA@michigan.gov) or by calling 517-241-7189.

You will notice that all of the omissions and additions to this document are in **RED**. One of the additions to Indicator 6.3 regarding Transition, references a “Transition Readiness assessment tool, Transfer of Care checklist, or Transition Plan.” We understand that you may not have all of these tools, but we assure you that you will have access to them before 2018. The topic of Transition will also be a focus at all of the 2017 Regional Meetings.

Thank you to all of you who have given us input so far! We’ve had several internal work-group meetings, as well as meetings with the CLAC and discussions on the monthly LHD call. Please know that many of the changes made have been in the spirit of making the Accreditation process easier on LHD staff, as well as increasing the focus and impact that we have on CSHCS families.

Thank you,

*Amanda Larraga*
