

CSHCS ALERT #6-2017 - TEP for Adult Clients

Friday April 28th, 2017

Dear Colleagues:

We want to inform you that starting May 1, 2017, CSHCS will require clients, 19-64 years of age and in the lowest payment agreement category, to apply for the Healthy Michigan Plan (HMP). The client will be placed in a Temporary Enrollment Period (TEP). This is the same procedure currently used for families that need to apply for MICHild or Healthy Kids Medicaid in order to extend their enrollment period from 3 months to a full year.

Therefore, starting May 1, 2017, all IRPA's processed will be part of this new procedure.
