Dear Tribal Chair and Health Director:

RE: Elimination of Maximum Daily Dollar Limits for Laboratory Services

This letter, in compliance with Section 6505 of the Affordable Care Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Community Health (MDCH) to submit a State Plan Amendment.

MDCH intends to rescind current laboratory policy to eliminate the \$50 and \$125 maximum daily dollar limits for laboratory services performed by practitioners, clinics, and independent labs when rendered by the same provider, for the same beneficiary, on a single date of service. A State Plan Amendment will be submitted to reflect this change in policy.

You may submit comments regarding this Notice of Intent to msapolicy@michigan.gov. If you would like to discuss the Notice of Intent, please contact Mary Anne Tribble, Medicaid Liaison to the Michigan Tribes. Mary Anne can be reached at (517) 241-7185 or via e-mail at tribblem1@michigan.gov.

There is no public hearing scheduled for this SPA.

Sincerely,

Stephen Fitton, Director
Medical Services Administration
