Dear Tribal Chair and Health Director:

RE: Update of Inpatient Hospital Grouper Version and Rates

This letter, in compliance with Section 6505 of the Affordable Care Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Community Health (MDCH) to submit a State Plan Amendment.

The Michigan Department of Community Health is notifying you of its intent to submit a State Plan Amendment that will update its Diagnosis Related Group (DRG) Grouper from Version 29.0 to Version 30.0 effective January 1, 2013. The DRG Grouper is used to pay inpatient hospital claims for medical/surgical hospitals. Inpatient hospital DRG weights and rates for medical/surgical hospitals will be updated and per diem rates for distinct part rehabilitation units and rehabilitation hospitals will also be updated. In addition, effective for admissions that occur on and after January 1, 2013, MDCH will reimburse hospitals for inpatient services based on the rates and Grouper Version in effect on the patient's date of discharge. This process will be completed in a manner that is budget neutral to the State of Michigan.

You may submit comments regarding this Notice of Intent to msapolicy@michigan.gov. If you would like to discuss the Notice of Intent, please contact Mary Anne Tribble, Medicaid Liaison to the Michigan Tribes. Mary Anne can be reached at (517) 241-7185 or via e-mail at tribblem1@michigan.gov.

There is no public hearing scheduled for this SPA.

Sincerely,

Stephen Fitton, Director
Medical Services Administration
