# Help Penny the Penguin Find Safe Fish to Eat!

Penny the Penguin used the *Eat Safe Fish Guide* to find fish that are safe for her to eat from Lake Icy! She wrote them down on a list to share with you. Can you help Penny catch the fish that are safe for her to eat? Draw a line from the name of the fish on her list to the fish in the lake that matches it. Watch out for the fish not on her list - they might try to trick you!
