Symbols are shown to aid in reading black and white printouts of this report.

Key for Most Measures (higher percentages are better)

- ☆ Exceeds Expectations (green)
- ⇄ Meets Expectations
- Ⓜ Needs Improvement (red)

The median plus/minus 1.5 times the inner-quartile range was used to find high and low outliers.

Exceptions: For SEs- 100% investigation is required per contract, so less than 100% shows a red flag.

For Synar- 80% is required, so below 80% shows a red flag.

Progress from Last Year

- ↑ Performance improved
- ⇄ Performance stayed about the same
- ↓ Performance worsened

¹ For SEs- No progress indicator is shown.

See the "Data Sources and Descriptions" sheet for information about each measure.

For more detail about the data, see each agency's profile sheet.

To find out which counties each agency covers, see the "Regional Substance Abuse Coordinating Agencies" map at: www.michigan.gov/mdch-bsaas.

Progress Arrows Added June 2013
