Dear Tribal Chair and Health Director:

RE: State Plan Amendment for ACA outpatient drug coverage changes

This letter, in compliance with Section 6505 of the Affordable Care Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Community Health (MDCH) to submit a State Plan Amendment to align with Affordable Care Act outpatient drug coverage changes.

The purpose of this amendment is to align the Medicaid State Plan with section 2502 of the Affordable Care Act which amends section 1927(d)(2) of the Social Security Act (the Act) by removing barbiturates, benzodiazepines, and agents used to promote smoking cessation from the list of drugs a state Medicaid program may exclude from coverage or otherwise restrict. Section 1927(d)(7) of the Act also explicitly prohibits states from excluding the following drugs, or their medical uses, from coverage: barbiturates, benzodiazepines, and agents when used to promote smoking cessation, including agents approved by the Food and Drug Administration under the over-the-counter (OTC) monograph process for purposes of promoting, and when used to promote, tobacco cessation.

You may submit comments regarding this Notice of Intent to msapolicy@michigan.gov. If you would like to discuss the Notice of Intent, please contact Lorna Elliott-Egan MDCH Liaison to the Michigan Tribes. Lorna can be reached at (517) 373-4963 or via e-mail at Elliott-EganL@michigan.gov.

There is no public hearing scheduled for this SPA.

Sincerely,

Stephen Fitton, Director
Medical Services Administration
