

Application for Michigan Department of Health and Human Services Trauma Facility Site Reviewer

Attachment D Complete one application for each candidate

Michigan Level I and Level II trauma facilities are required to submit applications to the Michigan Department of Health and Human Services of two potential candidates for the site review team. Qualified candidates should meet the following criteria:

- Practicing in trauma and/or emergency care at an American College of Surgeons (ACS) verified Level I or II trauma facility
Currently involved in trauma facility performance improvement activities
Successful completion of Advanced Trauma Life Support (ATLS) or Advanced Trauma Care for Nurses (ATCN)
Participated in a site review by ACS
Willing to attend a Michigan Department of Health and Human Services developed site reviewer orientation
Willing to conduct 2-3 site visits per year

Each facility must submit the name of (at least) one (1) physician, either a surgeon or an emergency physician and one (1) trauma nurse manager/coordinator, or one (1) trauma quality improvement RN, or one (1) advanced practice provider (physician assistant, nurse practitioner, advanced practice nurse) with trauma experience.

Complete each section of the form below. Please return with the designation application.
