ARBRE FARMS

Arbre Farms is excited to receive the families that come back year after year, contributing their experience and commitment. At the same time, Arbre Farms is looking for new workers to be integrated into this work force and community.

We are ready for another succesful season for ALL!!

The worker dynamics has changed, in the past there were families that would come to work and would work as a unit, now their children are going to college, pursuing different work.

What type of  
workers come  
to Arbre Farms?

MULTI GENERATIONS  
SINGLE MOM  
SINGLE MALES  
SINGLE FEMALES  
H2A WORKERS

# UNITS BUILT IN 2017

This unit was originally built to host up to 20 employees. For 2018 season, this Unit was remodel into two separate units.

This unit was design for small family or up to 4 employees.

As a Company, we have to continually adapt our units to accommodate the needs of the Company, workers and to comply with required laws.

# HOW DO WE PLACE OUR WORKERS IN HOUSING?

- ▶ Identify staffing needs
- ▶ Determine returning work force
- ▶ Recruit new work force
- ▶ Look for excess available housing (if needed)
