Dear Tribal Chair and Health Director:

RE: Update of Ambulatory Surgical Center (ASC) and Outpatient Prospective Payment System (OPPS) Reduction Factor

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment.

Pending approval by the Centers for Medicare and Medicaid Services, the Michigan Medicaid State Plan will update the ASC and OPPS reduction factor to maintain budget neutrality in response to a Medicare rate change. This change will be effective for dates of service on or after January 1, 2016. The reduction factor will be adjusted from its prior rate of 52.3% to a new rate of 52.5%. This change maintains reimbursement from Medicaid for outpatient services and ambulatory surgical centers at the rate for prior years.

These changes will be completed in a manner that is budget neutral to the State of Michigan. The State of Michigan expects these changes to have little or no impact on tribal members.

There is no public hearing scheduled for this State Plan Amendment. Input regarding this Amendment is highly encouraged, and comments regarding this Notice of Intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan Tribes. Lorna can be reached at (517) 373-4963 or via email at Elliott-EganL@michigan.gov. **Please provide all input by January 2, 2016.**

In addition, MDHHS is offering to set up group or individual meetings for the purposes of consultation in order to discuss this Amendment, according to the tribes' preference. This consultation meeting will allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.
