## Nurse Aide Testing Fee Schedule

**NOTE: For full details regarding the nurse aide training and testing program please review the Medicaid Provider Manual, Nursing Facility Chapter, Cost Reporting and Reimbursement Appendix, Section 9.9. For details regarding reimbursement of the nurse aide refer to Section 9.9.C.**

An employed nurse aide, working in a Medicaid participating facility, shall be reimbursed the actual nurse aide testing costs they incurred. The nursing facility is responsible for providing the reimbursement to the nurse aide. The facility will be reimbursed the Medicaid program share of the nurse aide testing costs through settlement of the annual cost report.

The Michigan Department of Licensing and Regulatory Affairs (LARA) administers Michigan’s nurse aide program. LARA contracts with Prometric to oversee the nurse aide testing program. Effective March 1, 2015, Prometric changed the state’s nurse aide testing fee schedule. The administration fees were eliminated with this change.
