

Grayed Out Courses

After you log into the courses.mihealth.org Learning Management System (LMS), you may notice that some of your courses are grayed out, like in the image below:

When courses are grayed out in the LMS, it means there is a prerequisite (another course you need to take in order to access the grayed out courses).

Prerequisites

In the image below, notice the **Prerequisites** column for the "MI-WIC Clerk Training" and the "MI-WIC CPA Training" courses. They both have "M0800" listed as a prerequisite.

Title	% Complete	Catalog ID	Score	Prerequisites
MI-WIC All Clinic Staff Training		M0800	0	
MI-WIC Clerk Training		M0900	0	M0800
MI-WIC CPA Training		M1000	0	M0800
Using Michigan's Childhood Immunization Registry		M1100	0	
Motivational Interviewing - Risk		MI-0001-	0	

This tells you that you need to take the **M0800 MI-WIC All Clinic Staff Training** course before you can take the MI-WIC Clerk Training and MI-WIC CPA Training courses.

Using the example above, when you complete the MI-WIC All Clinic Staff Training course in the LMS, the Clerk Training and CPA Training courses will no longer be grayed out and will be available for you to take.
