

POSITRON EMISSION TOMOGRAPHY (PET) SCANNER SERVICES

Workgroup Revised Charge

Approved by the Certificate of Need (CON) Commission Chairperson as Delegated by the CON Commission on January 30, 2020 and June 18, 2020

The PET Workgroup is charged to review and recommend any necessary changes to the PET Scanner Services CON Standards regarding the following:

1. Review the oversight requirements to initiate mobile and fixed services.
2. Review minimum volume requirement to convert to a fixed service.
3. Review if specific requirements should be added to the PET standards for fixed novel whole-body PET/CT and PET/MR scanners located immediately adjacent to a modern cyclotron-equipped radiopharmacy.
4. Consider any other technical changes from the Department, e.g., updates or modifications consistent with other CON review standards and the Michigan Public Health Code.

In its deliberations of the above-mentioned charges, the Workgroup shall consider and report on how each recommendation addresses healthcare cost, quality and/or access in Michigan.
