I know when I share this with my Division Director Linda Dykema she will also want to know who sent the request in to you. She has been involved in this issue.

Bob:

Was this all that was sent to you, looks like the cover page is missing?

Nancy, Karen and Wes,

I'm passing this along as follow-up to our previous attention to the Flint water changeover situation. The attached was submitted to me along with a request for de-identified data, which should be no problem.

When you have a few minutes you might want to take a look at it. Sounds like there might be more to this than what we learned previously. Yikes!
