Dear Tribal Chair and Health Director:

**RE:** Notice of Intent to Submit a State Plan Amendment to Implement an Alternative Benefit Plan (ABP) for the Healthy Michigan Plan Marketplace Option

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment to the Centers of Medicare & Medicaid Services (CMS). The State Plan Amendment will implement an ABP for the Marketplace Option as part of the State's §1115 Demonstration known as the Healthy Michigan Plan.

This ABP will be applicable to those Healthy Michigan Plan beneficiaries whose incomes are above 100% of the Federal Poverty Level, who do not complete a healthy behavior, who are not determined medically frail and are not a member of an exempt population. The Healthy Michigan Plan Marketplace Option will provide eligible beneficiaries with access to the Affordable Care Act mandated Essential Health Benefits (EHBs). These EHBs include the following services:

- ambulatory patient services;
- emergency services;
- hospitalization;
- maternity and newborn care;
- mental health and substance abuse disorder services, including behavioral health treatment;
- prescription drugs;
- rehabilitative and habilitative services and devices;
- laboratory services;
- preventive and wellness services and chronic disease management; and
- pediatric services, including oral and vision care.

The anticipated effective date of this State Plan Amendment is April 1, 2018. MDHHS expects that the State Plan Amendment will have minimal impact on Native American beneficiaries, as they are not required to enroll in managed care plans, and many are exempt from cost-sharing requirements.

There is no public hearing scheduled for this State Plan Amendment. Input regarding this Amendment is highly encouraged, and comments regarding this Notice of Intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan Tribes. Lorna can be reached at 517-284-4034, or via email at [Elliott-EganL@michigan.gov](mailto:Elliott-EganL@michigan.gov). **Please provide all input by September 30, 2017.**

In addition, MDHHS is offering to set up group or individual meetings for the purpose of consultation in order to discuss this State Plan Amendment, according to the tribes' preference. This consultation meeting will allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.

Sincerely,

Chris Priest, Director  
Medical Services Administration
